

1. Have your child go to Google Classroom on their school-issued device

Classroom

2. When your child has logged in to Google Classroom and can see their classes, click the '+' and select 'Join class'

3. Have your child enter the student join code: rlyybpq, (the second character is an 'l' as in lima), in the box provided

Class code
Ask your teacher for the class code, then enter it here.

To sign in with a class code

- Use an authorized account
- Use a class code with 5-7 letters or numbers, and no spaces or symbols

If you have trouble joining the class, go to the [Help Center article](#)
