

1. Have your child go to Google Classroom on their school-issued device

Classroom

2. When your child has logged in to Google Classroom and can see their classes, click the '+' and select 'Join class'

3. Have your child enter the student join code, 4jn2yh5, in the box provided

Class code
Ask your teacher for the class code, then enter it here.

To sign in with a class code

- Use an authorized account
- Use a class code with 5-7 letters or numbers, and no spaces or symbols

If you have trouble joining the class, go to the [Help Center article](#)
