Text @fpband2019 to 81010

Please understand that planning this far in advance isn't always definite. Some school events haven't been planned yet, which can cause us to adjust our schedule.

Band is a performance based activity, we may add performances as requested. All attempts will be made to plan as far in advance as possible.

All dates are tentative and subject to change due to weather, school conflicts, administrative decree etc... Plan for changes and you will not have any issues. Planning dates this far in advance isn't perfect, be prepared for changes.

If you have to miss a practice, make sure it falls under excused. Always let your directors know you will be out ahead of time!
