Lots of things going on this week! Plan and get organized! Important skills that you will need for the rest of your life. Start working on them now! Procrastination, social media, video games are not your friends this week. Pass offs: You must get your music for Mirage passed off before Sunday!

Parents: Help needed in concessions! Visual Ensemble parents are scheduled this week. The more we sell, the less we have to pay in fees or fundraise! We can always use more people!
