

Seesaw Assignment in SchoolsPLP for Students

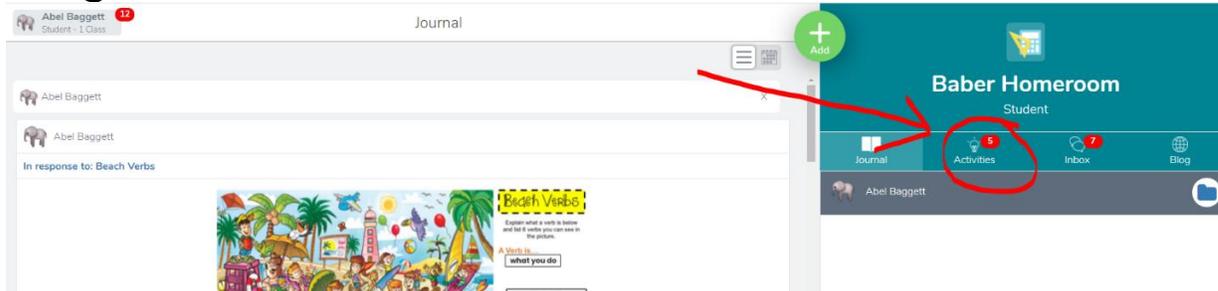

I. Exit SchoolsPLP and go to Clever to click on Seesaw.

2. Select the correct class in Seesaw by clicking your name in the top left corner.

3. Select the activities button to find the assignment.

4. Find the activity assigned by your teacher.

5. When finished with the activity, take a screen shot of finished product to turn in proof of completion to SchoolsPLP.

6. Return to SchoolsPLP assignment

7. Click the Blue Cloud Submission button, then the blue plus button.

Seesaw Assignment in SchoolsPLP for Students

The screenshot displays a Seesaw assignment interface. At the top left, there is a 'Jump' button with a red circle around the 'SUBMISSION' icon. The main area contains a word puzzle with four rows of clues and corresponding letter boxes:

5.		lciff		spruce
6.		hrbot		throb
7.		piens		stripe
8.		ruecsp		spine

Below the puzzle, there is a 'Submission' section with a 'VIEW GRADE DETAILS' button. Underneath is a 'My comments' section with a text input area and a 'SUBMIT MY WORK' button. A red arrow points to the 'SUBMIT MY WORK' button, which has a red circle around it.

8. Choose the screenshot of the completed assignment and click upload.
9. Click "Submit My Work"
