Wednesday, May 22nd, 2019

*Students, let's talk about emails. There are things in these every day that you need to read. Counselors and Teachers are sending those to you for a reason! Be responsible and read your emails every day!

*9 Weeks Tests this week: WEDNESDAY, May 22nd – Language, history, and ALL A BLOCK CLASSES. We will not switch. THURSDAY, May 23rd – Math, Science, and all B BLOCK CLASSES. We will go to 1A for attendance, then go directly to 1B. After break, go directly to 2B.

*Students, this announcement is extremely important, Mr. Anderson emailed instructions for turning in your Chromebooks before graduating or leaving for the summer. Be sure you read that email, follow the instructions and turn in Chromebooks in the library based on the dates shown in that email.

*Anyone interested in joining Key Club, come by Mrs. Barnes' room for the remind code and google class code. Also, if you have taken an Education pathway class and would like to join FTA next year come by her room for that remind code. We will start service projects this summer. Get a head start now.

*Reminder, all medications with the nurse must be picked up by a parent by the end of the school year or they will be destroyed.

*All Seniors fees must be paid by graduation.

*Anyone wanting to try out for the baseball team needs to sign up in the front office this week. Tryouts are May 28th – 30th.

*Students, check your email about pre-sales for next year's parking decals.

*Students turn in out of district forms to the office. If you need a form, they are in the office or online on the schools webpage.

*Students, remember that check out notes are due to Mrs. Vezertzis by break time or 9:30am. If you bring a note after break time they will not be accepted and your parents will have to come to the school and check you out. We do not allow check outs over the phone.
