Please take the Title I Parent Survey, if you haven't done so already. Link to survey is: <https://goo.gl/forms/dwivCMsuGVFL9Rte2>

## News Around the School...

The Fort Payne Middle School Gigawatts travel to Houston, TX to take part in the First Lego League World Championship. They won the Alabama State Championship earlier this year to earn this opportunity. Be sure to follow the school Facebook for updates and you can watch live on Twitch.

The FPMS iTech Team competed in the Regional Tech Fair hosted by NACC and held at the Agri-Business Center in February. We won a total of 96 medals! There were 46 1<sup>st</sup> place winners, 25 2<sup>nd</sup> place winners, and 25 3<sup>rd</sup> place winners. 1<sup>st</sup> and 2<sup>nd</sup> place winners advance to the state tech fair at AUM in April. Great job and good luck at state!!
