IPAD Pick-Up/ Student Material Distribution

Below is the plan for you to pick your child's IPAD and instructional materials for continued learning during April and May .

- The schedule below outlines the schedule for picking up your child's supplies.
- This will be a drive-through pick-up that works just like our normal afternoon student pick-up procedures. The teacher will bring your child's supplies to your car window as you drive through the loop.
- Social distancing measures will be followed. Please do not get out of the car.
- This will work like car rider pickup line. Paw passes should be displayed OR child must be present.
