What is Clever?

Clever is an easy way for your student to access all of the learning applications they use at school. [Click here to visit the Clever help portal to learn more about this program.](#)

Logging into Clever on Home Computer or Chromebook

- Link to Clever portal: <https://clever.com/in/fpcsa1>
 - Links to Clever portal are also located on all school webpages and FPCS district webpage.
- Log in
 - Student username: first initial last initial lunch number (example: jd12345)
 - Student password:
 - WVES Students: cats password- if your child cannot remember their cats password, please contact your child's teacher to access that information.
 - WAES, FPMS, and FPHS Students: Wildcats password (example: Wildcats00L)
- After logging into the Clever portal, your child will be able to access all tools provided by our school system.

Logging into Clever on iPads

- Download the Clever app.
- Click Clever.

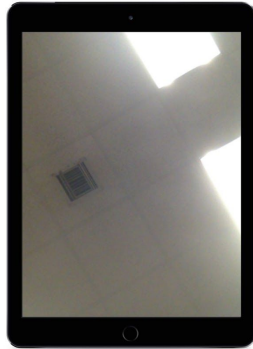

- Log in with your username and password. See details above to know how to help your child know their username and password.

Accessing Clever

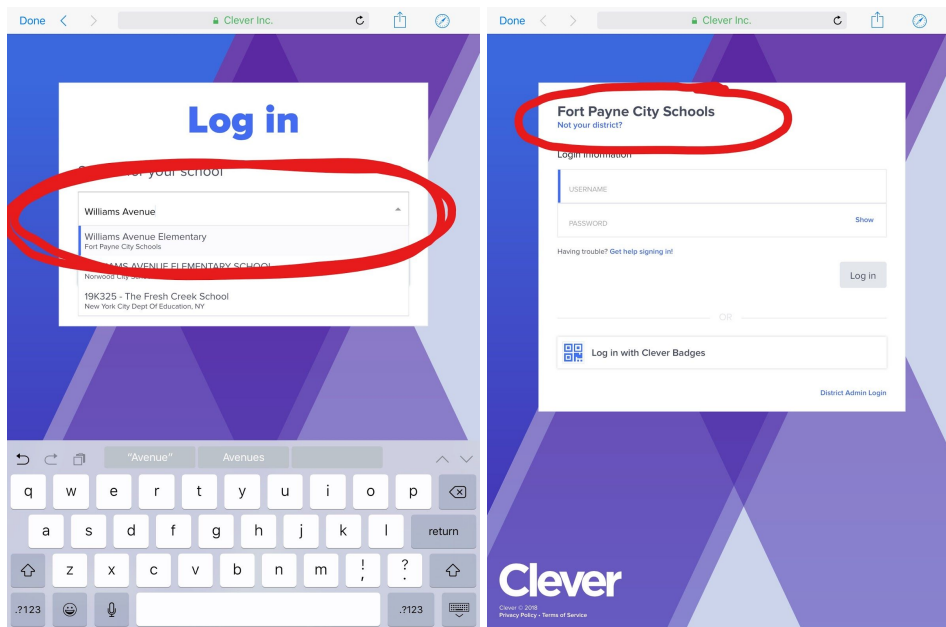

Hold your badge up to the camera

Log in with your username and password

- Search for the school your child attends. If you do not see Fort Payne City Schools, you are not on the correct page.

- After logging into Clever, you will be able to see what is available for your student to access. Some of these programs require a native app to also be downloaded to the device.
 - If another app is required, students will still access that app through Clever.
 - [Click here to access Clever's help portal and learn about troubleshooting issues with iOS.](#)
