July 1, 2020

Good morning,

I hope you are having a great summer and staying healthy and safe! I want to thank you who participated in the parent survey that was sent out on Monday. The survey results will help us as we develop a plan to return to school on August 12, 2020.

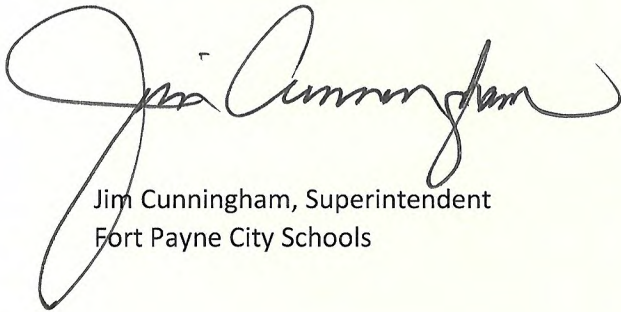

This past week Alabama State School Superintendent, Dr. Eric Mackey, released the ALSDE *Roadmap to Reopening Schools*. Each school system was given general guidance to provide assistance in developing a reopening plan specific to the individual school system. The guidance presented ideas, research, experience, and expertise of dozens of educators, healthcare professionals, and logistics specialists. The guidance provided by the ALSDE is still a living document that will require updates and revisions throughout the school year.

Knowing that a challenging school year lies ahead, we want to assure you that we will be doing the best job possible to provide the students of this community with a quality education in a safe environment. Our focus will be on academic, emotional, and healthy development of our students.

The *Fort Payne City Schools Reopening Plan* will be released Monday, July 6, 2020, on our website (www.fpcsk12.com) and our system facebook page (www.facebook.com/fortpayneschools).

In closing, I want to thank you for your support of Fort Payne City Schools. Please enjoy this time with your family. We look forward to welcoming students back to school this fall!

Be safe,

Jim Cunningham, Superintendent
Fort Payne City Schools

"Providing child-centered learning so every student may pursue any dream."
