

FPMS SHOWCASE

March 11, 2019
4:00 – 5:30

FPMS Cafeteria and Classrooms

iTech Team

FPMS iTech Team will be featuring projects they've created for the Northeast Regional Tech Fair. Projects will include videos, Power Points, websites, animations, 3-D designs, and much, much more!! You will not want to miss this opportunity to see what these students have been working on all year!

Robotics

The middle school robotics team builds, creates, and designs their own robot for a variety of competitions. Come see our 24 volt car that we race around a mile-long track for 90 minutes. Let us share with you our exciting projects and the fun of being an engineer from the state FIRST LEGO League teams.

Rocking Band

While you tour the halls of FPMS, hear the sounds of 6th, 7th, and 8th grade band students perform small ensemble pieces on their instruments. FPMS band students are preparing to attend Solo and Ensemble, an event where students receive ratings on their musical abilities. Come enjoy the sound of the Wildcat band members!

Parent's Virtual Classroom

Come see how your students are learning. Come learn about Google Classroom, Kahoot, Quizlet, and Reflex Math.

Roaring 20's

The 6th graders recently studied about the Roaring 20's in history. They have created poster displays of famous Americans, inventions, and types of entertainment from that decade. Our walls will also be covered with these awesome examples!

Art

G'day Mates! FPMS students have created some amazing art depicting "The Land Down Under." Come check out our artwork featuring the architect, John Utzon's, Sydney Opera House with Vincent Van Gogh's, "Starry Night."

Sensational Science

Drop by cafeteria to see 3D flowers, DNA, and other projects students have done throughout the year. You won't want to miss these amazing creations!
