

Fort Payne Middle School

Vision

In partnership with families and community, our goal is to create relevant learning opportunities that help students develop the knowledge, critical thinking skills, and character necessary to succeed in a technologically advanced world.

Mission

The mission of Fort Payne Middle School is to prepare all students to become lifelong learners and responsible citizens ready to meet the challenges of the future.

Beliefs

1. We believe students, parents, faculty, staff, and community members are accountable and responsible for advancing the school's mission.
2. We believe it is important for students to develop positive character traits which promote personal responsibility and accountability. etc.

Testing Proficiency

- Objectives
- Students' math proficiency levels will improve on the ACAP.
 - Students' ELA proficiency levels will improve on the ACAP.

- Critical Initiatives
- Teachers will align instruction to the state course of study for their field. We will monitor progress toward mastery of standards by assessing three times per year using iReady.
 - Teachers will align instruction to the state course of study for their field. We will monitor progress toward mastery of standards by assessing three times per year using iReady.

- Key Measures
- Analyze iready and ACAP results.

Eng Language Proficiency

- Objectives
- Students' language proficiency levels will improve on the WIDA.

- Critical Initiatives
- EL students will have explicit instruction in Language Acquisition. We will monitor progress using iReady, WIDA, and ACAP results.

- Key Measures
- Analyze iready and ACAP results.

Standards Proficiency

- Objectives
- Special Needs students will show growth in mastering standards.

- Critical Initiatives
- SPE will develop and implement whole group intervention strategies to address math and ELA deficiencies based upon iReady and ACAP data. We will monitor progress using ACAP & iReady results.

- Key Measures
- Analyze iready and ACAP results.
